Vendor and Customer Self Service (VCSS)

Follow the steps below to register a new account code in the Vendor and Customer Self Service (VCSS) website, and then to request a User ID to access VCSS.

Depending upon the GSA business line, VCSS contains copies of billing statements in PDF format, detailed billing information in CSV and Excel formats, outstanding billing amounts, and paid billing amounts. All VCSS users can dispute billing statements and correspond with billing representatives from within VCSS.

1. Visit VCSS at vcss.ocfo.gsa.gov and select the Registrations & Access Request button to register a VCSS account.

2. Select the Click here if you are a Customer of GSA button to register for a customer account.

3. On the New Requests page, in the Registration section, identify your organization by entering:
   - Account Code, provided to you by your own agency or federal affiliate
   - Organization Name, the name of your organization that you are registering
   - Address Information, the address of your organization that you are registering

4. Select the Register button to continue the registration:
   - The Registration Requests section is populated with the Organization Name you provided in the Registration section
   - Select the X to remove the registration and start over
   - Select Continue to continue the registration

5. On the User Information page, fill out your user information.

6. On the Confirm and Submit page, review the user information provided:
   - If the information is correct, read the Administrator Responsibility text, and select the I accept this responsibility checkbox
   - By selecting this checkbox, you are responsible for approving and disapproving all user access to this account via email going forward

7. In the Registration Requests section at the bottom of the Confirm and Submit page, enter the code from the image, and select the Submit button.

After you submit the registration, GSA is responsible for reviewing and approving the Account Registration Request. If GSA approves the request, you will receive an email confirming approval. The email will include a Personal Identification Number (PIN) to use to continue processing your registration in VCSS. If GSA does not approve the request, you will receive an email stating your request was rejected.

For assistance with VCSS registration, contact the VCSS Registration Desk at vcss.registration@gsa.gov.
Vendor and Customer Self Service (VCSS) cont.

8. Open the approval email from GSA and return to vcss.ocfo.gsa.gov for new registration.

9. On the VCSS main page, select New Registration from the left-hand navigation bar.

10. On the next page in the Registration Information section, enter the following registration information:
   - Email Address you used to register
   - PIN provided in the approval email from GSA
   - Select the Next button

11. On the next screen, select your User Type and complete the following for submission:
   - Enter a User ID and Password (a first name followed by the last name format in lower case is required for the User ID—e.g. johnsmith)
   - Enter your contact information (if applicable)
   - Select the Finish button

12. After you submit the User ID registration, GSA reviews the request for approval.
   - If approved with a new UserID, GSA will send you two separate emails containing your official UserID and temporary password.
   - If approved with an existing UserID, GSA will send you notification that your UserID has been updated to include the new account.

13. **The User ID and Password may be different than what you submitted for specific functionality criteria.**

14. Visit VCSS at vcss.ocfo.gsa.gov and select the System Login button.

15. On the VCSS main page, select Login from the left-hand navigation bar.

16. On the VCSS login page, enter your new UserID & temporary password received from GSA or your exiting UserID & PW to sign in.

For assistance with VCSS registration, contact the VCSS Registration Desk at vcss.registration@gsa.gov.

If your login to VCSS is successful, you now have access to the VCSS account you successfully registered for. **Don’t forget to change your temporary password!**
