Vendor and Customer Self Service (VCSS)

Follow the steps below to register a new account code in the Vendor and Customer Self Service (VCSS) website, and then to request a User ID to access VCSS.

Depending upon the GSA business line, VCSS contains copies of billing statements in PDF format, detailed billing information in CSV and Excel formats, outstanding billing amounts, and paid billing amounts. All VCSS users can dispute billing statements and correspond with billing representatives from within VCSS.

On the **Confirm and Submit** page, review the user information provided.

- If the information is correct, read the Administrator Responsibility text, and select the I accept this responsibility checkbox
- By selecting this checkbox, you are responsible for approving and disapproving all user access to this account via email going forward

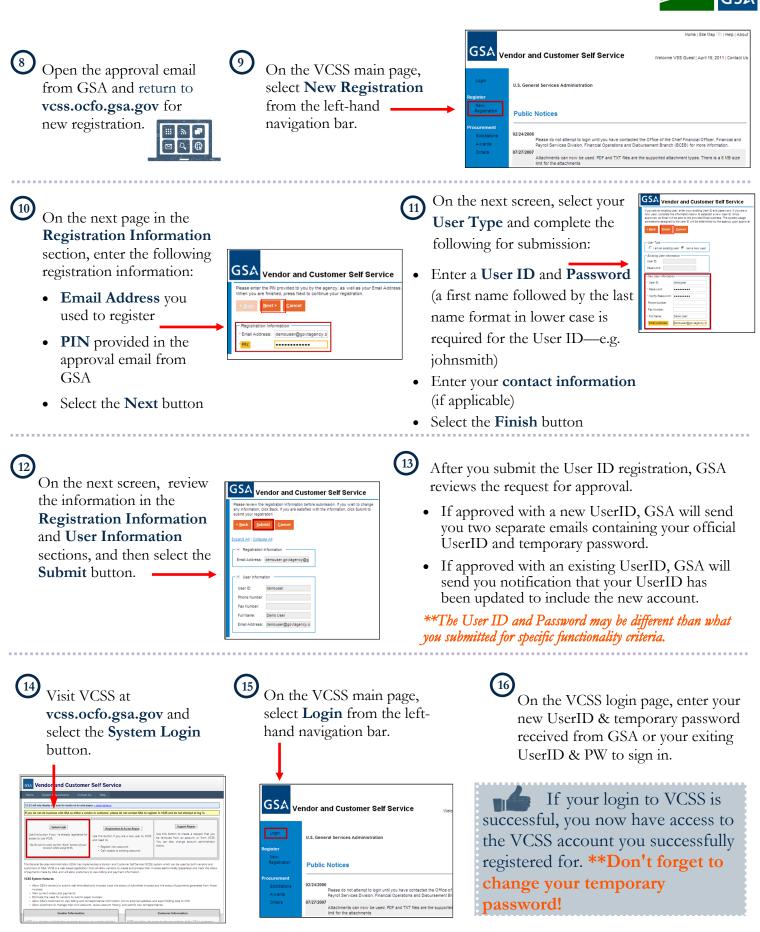

In the **Registration Requests** section at the bottom of the **Confirm and Submit** page, enter the code from the image, and select the **Submit** button.

After you submit the registration, GSA is responsible for reviewing and approving the Account Registration Request. If GSA approves the request, you will receive an email confirming approval. The email will include a Personal Identification Number (PIN) to use to continue processing your registration in VCSS. If GSA does not approve the request, you will receive an email stating your request was rejected.
